Kurtz Bros., Inc. Promotes Green by Bettering the Environment

Kurtz Bros., Inc. receives 2011 Conservation Business of the Year Award for their Dedication to Green solutions and the Environment in Ohio

The **Cuyahoga Soil and Water CONSERVATION District** staff nominated **Kurtz Bros., Inc.** for the 2011 Conservation Business of the Year award. The award is given annually to a business leader or individual who contributes to a better, more **GREEN, ENVIRONMENT** in Cuyahoga County, OHIO. The award was presented during the district's annual meeting & Conservation Day Celebration on September 21st 2011 at Lakewood Park in Lakewood, Ohio.

Kurtz Bros., Inc. employees take pride in the company's strong family tradition, history of growth and innovational approach to problem solving in the **"green industry."** With over 60 years of experience, Kurtz Bros., Inc. is a pioneer in caring for Ohio's **environment** and natural resources. Finding beneficial **conservation** opportunities for what others consider waste is what keeps us, and the industries we help, remain sustainable. Specializing in waste to resource solutions, Kurtz Bros., Inc. employs a Certified Professional Soil Scientist, LEED Green Associates and ICPI (Interlocking Concrete Paving Institute) certified instructors to provide their expertise to all customers seeking conservation solutions for their particular problems.

We have a wide range of solutions that incorporate recycled materials. These actions help to extend the life of bulging landfills and tremendously benefit our fragile environment.

Today, Kurtz Bros., Inc. keeps service, manufacturing, and transportation groups, operative statewide. The landscape division offers products ranging from topsoil, mulches, and composts to paving stones, and everything in between. On the industrial side, construction fill, storm water management, sand and aggregates are some of our top **products**. They are a company that truly lives the words of their tagline -**"We make the good earth better"**.
